Starting forward is the spacious VIP stateroom with a queen centerline berth and plenty of storage. A large closet is located to starboard and aft of the berth. To port is an integrated color television with VCR. The head is located to port and features a stand-up shower and vanity with plenty of storage. Within the companionway to the salon, a locker to starboard provides additional storage as well as access to electrical components at the lower helm.

Up three steps and aft is the expansive salon. To starboard is the lower steering station with an ingenious roll-top cover. *Thai Princess* features many custom appointments including custom end tables with handmade game boards such as chess, checkers, Parcheesi, etc.; a white oak entertainment center with 27" color television, DVD, and VHS; a large leather settee and chair; and a beautiful carved dining table with glass top. She also includes hardwood flooring throughout. Aft of the salon and to starboard on the same level is the spacious galley. Storage is plentiful and included equipment makes the large galley very functional capable of preparing meals for many guests.

To port and aft of the dining area is the third stateroom, which features a full size bed and cedar lined locker. Moving aft, the master stateroom features a king size berth to port and spacious head to starboard. A large cedar lined locker is situated forward of the berth. A vanity/desk is located aft and to starboard and a door providing access to the swim platform is located aft along the centerline in the master stateroom. The head is situated to starboard and features a large stand up shower and tub, a large vanity and plenty of storage. The addition of the wood flooring allows for easy access to all below deck components.
