Fantasy South is offering a 65' Fantasy Coastal Yacht. Although this boat is 2 years old, it is in immaculate condition and shows like a new boat.

The salon is entered via a sliding glass door. Salon seating includes a sectional sofa and 2 wing chairs. Glass top coffee table and end table, plus a wine rack unit, are included. The deluxe entertainment center is surrounded by leaded glass door display areas. Lower helm is retractable and out of the way unless needed.

Starboard is the galley with all household size appliances including trash compactor, dish washer, garbage disposal, side-by-side refrigerator with ice and water in door, smooth top range with oven and built-in microwave oven. A large pantry provides plenty of storage. The main electric panel is aft of the galley.

Port side, down 3 steps, is a stateroom with a queen bed. Storage and hull access are also present. The VIP Stateroom is located off the galley and contains a queen size bed and LCD TV.

Accessible from the VIP Stateroom and hallway is a full bathroom containing a full shower and cedar-lined linen closet. A full stack washer and dryer is included.

A king bed graces the Master Stateroom along with an LCD TV and large, cedar-lined closets. The Mast bed is on a hydraulic lift with storage under the bed. The Master Bath contains a Jacuzzi tub/shower, sink with vanity and cedar-lined linen closet.

Step out the sliding glass door onto the back deck and a 3 foot hydraulic swim deck which makes launching a tender a breeze. Two storage compartments are present for storing extra life jackets and cleaning supplies. Twin 240 hp Yanmar Diesel engines provide the power along with a 20 kw Weseterbeke generator. Bow and stern thrusters allow for easy maneuvering.

Steps from the front and back decks lead to an upper deck with plenty of room for entertaining. Forward, the flybridge houses built-in seating, 2 chaise loungers, storage compartment and helm station. The upper helm is fully enclosed with canvas and isinglass with zip up windows and doors. This is a must for when the weather is cool or rainy.

Mid-ship is a bar with a built-in propane grill cabinet, ice maker, trash compactor, small refrigerator and bar stools.

This yacht includes a custom décor package with cherry woodworking, upgraded wall vinyl and exquisite red fabrics. Plus, an extensive electronics package are included. Comfort and beauty come together for an excellent yacht to cruise the intercoastal waterways or to enjoy the view from the dock.

Where can your Fantasy take you?
